SUNSYNK Powerlynk XL 5.5kW Inverter | 5.2kW Battery

INTRODUCING THE POWERLYNK XL BY SUNSYNK MOBILE.

- Masterfully crafted to simplify and speed up installation, allowing for more efficient planning and implementation of large volume roll outs in new house builds or retrofits.
- The Powerlynk comes complete with everything you need to install this cutting-edge storage solution. In-built connection points give access to the Load, Grid, CT and Wi-Fi data loggerports, making it a true "plug and play" system
- From the pre-set factory settings to the in-built connection ports, the Powerlynk has been designed with convenience and hassle-free installation in mind.
