## 1. Introduction :

CCI Technology Solutions (Pty) Ltd's Broad Based Black Economic Empowerment verification has been based on the Amended ICT Codes of Good Practice for Broad Based Black Economic Empowerment Gazetted on 7 November 2016

All BEE statistics (especially Supplier information) was collated in a comprehensive information gathering initiative to allow accurate scoring on all objectives and themes. With the increased emphasis by Government on broad based BEE, such figures must remain accurate and easily available for future measurement and reporting initiatives. The measurement period used for all financial information is 1 April 2023 to 31 March 2024.

This report is the result of an independent and impartial verification of the BBBEE status of the measured entity measured against the Codes of Good Practice on Broad Based Black Economic Empowerment. The objective of our verification is to verify the validity and accuracy of the BBBEE status represented by the measured entity. EmpowerLogic is not responsible for ensuring completeness of information provided to support the BBBEE status.

All the information contained in this document has been collected from sources within CCI Technology Solutions (Pty) Ltd and believed to be accurate and reliable at the time of the measurement.

All referencing to Black individuals is based on the generic term used to refer to African (A), Indian (I), Coloured (C) and Chinese (C) South African citizens.

The verification for CCI Technology Solutions was based on the following elements:

- *Equity Ownership – % flow of economic benefits and voting rights.*
- *Management Control – % black board composition, black executive management and measurement of Senior, Middle and Junior Management against EAP targets.*
- *Skills development - Skills development expenditure as a proportion of total payroll leviable amount and black people participating in Category B,C and D.*
- *Enterprise and Supplier Development*
  - *Preferential Procurement – Weighted Preferential Procurement spend based on the BEE Procurement Recognition Levels;*
  - *Supplier Development – Annual recoverable and non-recoverable contributions to Supplier Development as a % of NPAT;*
  - *Enterprise Development – Annual recoverable and non-recoverable contributions to Enterprise Development as a % of NPAT;*
- *Socio Economic Development - Annual non-recoverable contributions to Social Development as a % of NPAT.*

The following diagram illustrates the process that was followed, as well as the documentation involved in each part of the process :

The total score of a company will be used to rank them according to their progress in achieving broad-based black economic empowerment. The total points that a company earn are set out as follows by the Amended Codes of Good Practice:
